

EDUCATOR Update—June 2018

New Child Care Package: - Please find enclosed a flyer and information for families. It is important that families ensure they are registered for the new subsidy prior to July 2nd as they will be required to pay full fee if they have not. There will be no availability to back date for families who have not registered.

Changes to processing: We have been informed by Harmony and AGDET that we will need to alter our processing fortnights to comply with the New Child Care Package. We are currently working with council to ensure this can happen smoothly.

This will however impact our payments to educators, at this stage we plan to process one week of timesheets for week ending 1st July which will complete the CCB, CCR payments. We will then start the new fortnightly processing in line with the New Child Care Package.

We understand that this will impact all of our educators' financial arrangements. For this reason we are organising this as quickly as possible so that we can confirm new payment dates.

Scheme Meeting: Next meeting will be held on Tuesday 26th June, 7pm, please note this is a change of date.

Email or phone to confirm attendance and any agenda items. It is highly recommended that all educators attend.
