Parent Newsletter

Please distribute to all of your families, let us know if you need more copies.

Language Development Handout:

For Your Information, can also be passed onto families.

Fees and Levies:

The Parent Administration levy will increase from 1st July to \$7.50 plus 70 cents per hour. This was discussed at a recent scheme meeting. Parents are being informed through the Parent Newsletter.

Educator Fees:

Please ensure you provide each family with a new fee schedule (attached). If you are making changes to your fees please ensure parents are given a minimum of 2 weeks notice outlining your own fee changes on the updated fee schedule which indicates the new Admin levy.

Remember your fee changes need to be approved by the Scheme.

Scheme Meeting - Training

We are due to have our next Scheme meeting on Monday 24th June.

We are trying to organise some training workshops for the near future. If you have ideas or suggestions please let us know.

EARN AND LEARN

We are collecting Earn and Learn stickers so that we can obtain some resources for playsessions or/and the toy library. We would appreciate any donations. Thank You.

Staff Leave:

Ange will be on leave from 24th July returning to work on 4th September.

Educator Farewell and welcomes: A sad farewell to Makala we wish her and her family all the best for the future. A warm welcome on board to Jackie, Georgie and Agnes.

ECU Targeted Spot Visits:

We haven't yet received any feedback from the spot checks but are actioning suggestions made during the visit. This includes photographing educator environments so be aware we will be doing this during rereg. or field visits in the coming weeks.

Registration Certificate:

The ECU visit has made us give some thought to the way we word our registration certificates (Schedule 1) for educator's homes. When we reregister educators we have decided to list a description of the areas of your environment that **ARE** registered instead of the areas not registered.
