

REGULAR OUTINGS CONSENT FORM - 2020

Under the Education and Care Services National Regulations, written authorisation must be given by a parent or guardian to permit their child/children to participate in outings/excursions. Regular outings and the associated risk/benefit management plans are listed in the educator's personal excursion policy. The authorisation is valid for 12 months unless the educator makes changes to the listed regular outings. If this occurs then parents are required to consent to the changes in writing.
