

Dear Parents/Guardians,

Clarence Children's Services Holiday Care at times provide movies to children that are part of the educational program. Occasionally movies may have a rating of PG.

Holiday care staff will advertise the movie at the sign in desk in the morning so parents can have the option for their child to not participate in the PG movie.

If you give permission for your child to participate in watching PG movies, please complete and sign the below form.

Thank You,

Clarence Children's Services Administration
