### General Information

We have two Holiday Care Programs available in the Clarence area. Please select the program that your suits your child, when completing your booking make sure you select the correct program.

Parents are required to sign their children in and out of the program using the iPads at the Program. Parents are provided with an electronic pin via email on enrolment, this is automatically generated from **Redbourne**, our software provider.

## Food

Please ensure your child has morning tea and a nutritious lunch and snack for the day. The program indicates days that include planned food experiences. Whole fruits are available to children throughout the day.

All children need to pack a drink bottle that can be refilled with water at the Program; children that forget their drink bottle have water available to them throughout the day.

## Medical Conditions and Higher Support Requirements

Children with Medical Conditions or Higher Support Requirements must have a completed Medical management and communication form.

Children requiring medication for Asthma, Anaphylaxis, Allergies or other conditions need to complete a 'Medical Action Plan and Authority to administer medication form' prior to the beginning of Holiday Care. A 'Medication Log' will need to be completed when signing medication in and out of the program (eg. Epi Pen, Puffer) Only medication with the original pharmacist's dispensing label outlining the child's name, dosage, name of medication and expiry date will be accepted and administered.

*NOTE: Care will not be confirmed until we have received all medical forms.*

## Excursions

On excursion days we would like children to arrive at the service by 8.30am to allow us time to prepare all children for the excursion. Parents/guardians booking their children in on excursion days need to complete the 'Holiday Care Non-Routine Excursion Consent Form'. *Note: By booking your child in on an excursion day parent/guardian permission is required. To maintain ratios, we are unable to permit children to remain at the service on excursion days.*

All excursions will meet the national requirement of 1:15 ratio or better. Excursion departure and arrival times, route and destination are provided on the program and on consent form. On excursions requiring transport, the bus we will be travelling on Barry's Bus Service, an accredited bus company. All excursions are risk assessed and these available at the program on request.

## Clothing and Weather Protection

Please ensure that your child is dressed in suitable clothing and footwear that is appropriate for the weather conditions. Children will need to bring broad brimmed hats and sun protective clothing from beginning of September to the end of April. Sunscreen is available at the service. A spare set of clothes may be required for messy or water-based activities.

## Changes to the program

Clarence Children's Services reserve the right to cancel or change excursions and inhouse visitors at any time. Unforeseen circumstances sometimes arise such as poor weather conditions, venue cancellations and safety concerns, we will notify parents/guardians the morning of the change.
